

Step-by-Step Apostasy

By Keith Greer

Whenever one strays from the Lord's teaching, he follows a path that leads further and further into departure from His way. Examine the following evolution of the Roman Catholic Church, doctrine by doctrine, step by step, into apostasy.

Worship of Mary, the mother of Jesus AD 431

Worship in Latin language AD 600

Papacy or pagan origin AD 610

Kissing the Pope's feet AD 709

Temporal power of the Pope AD 730

Adoration of Mary and other saints AD 788

Adoration of the cross, images, and relics AD 788

Blessings of Bulls AD 965

Fabrication of holy water AD 1009

Marriage forbidden for priests AD 1079

Rosary beads invented AD 1090

Sales of Indulgences AD 1190

Transubstantiation of bread AD 1215

Auricular confession to the priest AD 1215

Purgatory proclaimed AD 1438

Tradition held equal with the Bible AD 1545

Immaculate conception of Mary AD 1845

Infallibility of the Pope AD 1870

Apocryphal books added to the Bible AD 1546

Where, in God's word, are these things taught? There is but one answer--nowhere. All were added by the Roman Catholic Church.
