Yes, we have examined each book in the entire Bible and we have found that some reference, fact, prophecy or teaching of Christ is in this book. Why should this surprise anyone? He is the common thread that is woven through the entire story of the Bible. God had an eternal plan before the world was ever created—Christ was the centerpiece of that plan. Man was in a bad place—dead in sin and without hope until the blood of Christ was shed on that cross. No man's life or death has done more to change the world and make it a better place. Do I hear an AMEN!\*\*\*
