

# PEOPLE SEE GOD EVERY DAY—THEY JUST DON'T KNOW IT!

By Keith Greer

"Bring all the tithes into the storehouse, that there may be food in My house, and try Me now in this," says the LORD of hosts, 'If I will not open for you the windows of heaven and pour out for you such blessing that there will not be room enough to receive it.'" {Malachi 3:10}

Unfortunately, many people in the world don't know God. He is here; all we need to do is open our eyes and look at the evidence that surrounds us.

**World.** "In the beginning God created the heavens and the earth. The earth was without form, and void; and darkness was on the face of the deep. And the Spirit of God was hovering over the face of the waters." {Genesis 1:1,2} Consider this world's order and design. Why are we just close enough to the sun to get warmth, while not being consumed by its heat? Explain the four seasons. Why does it take exactly one year for the world to completely rotate one time? On what does it hang? "He stretches out the north over empty space; He hangs the earth on nothing." {Job 26:7} Do you really believe all of these things (and many others) happened by chance?

**Man.** "And the LORD God formed man of the dust of the ground, and breathed into his nostrils the breath of life; and man became a living being." {Genesis 2:7} How does one explain man's complex nature? "For You formed my inward parts; You covered me in my mother's womb. I will praise You, for I am fearfully and wonderfully made; Marvelous are Your works, And that my soul knows very well." {Psalm 139:13,14}

Did he just develop a brain; a central nervous system; lungs; and the capacity to think, reason, and build great things? When we look at automobiles, we see tires, engines, transmissions, interior design, body design, and differing sizes. All of this cries out – intelligent design! Somebody designs and builds cars. Every day, doctors and researchers learn more about the human body. It can not have just happened – it is the product of intelligent design – not natural cause.

Could it be that some people choose to be blind? All around, we see evidence that tells us God is real. Dear reader, open your eyes and believe – it is a choice all men can make! \*\*\*
